Dear Ms. Campbell:

I am writing in response to your letter of August 27, 1996 referencing the 12 Day Pre-Convention Report (4/1/96 - 6/25/96).

You first address items which you perceived to be contributions in excess of allowable limits. I previously discovered these errors on my report and sent in an amended report that you confirmed was received by the FEC on August 15, 1996.

I have enclosed another amendment that addresses what appears to be an error in addition in column B, lines 7(a) and 7(c) on the first page of the above referenced report. Actually, errors in transposing the totals from Schedule B, lines 17 and 21 were made on the April 15 Quarterly Report (1/1/96 - 3/31/96). I discovered and recognized this error in June 1996 and, filed an amendment on June 29, 1996 referencing only the Detailed Summary Page. A copy of that amendment is attached. The corrected cover page was not included at that time but is now enclosed. All subsequent report totals are correct as originally submitted.

Sincerely,

Gaylord Bourne
Assistant Treasurer
